

Dear Walden West Summer Camp Parents,

This year we have made a lot of changes to improve our program. We are trying to make our check in process as easy and quick as possible for your family on Monday. With the new add-ons we have available with our program, check-in may take longer than usual. To make this process easier for you, we ask you to:

1. **Print this document**
2. **Circle all features you would like**
3. **Bring a pre-made check or cash to your Monday registration.** (We accept credit cards, but due to our location they may take longer to process)

(please print)

Camper Name: _____

Program Enrolled: _____

Week of: _____

Total: _____

- **\$7 – Bus Service (All-Week)**
- **\$35 – Aftercare (All-Week 4-6 p.m.)**
- **\$20 – Lunch (All-Week)**
- **\$20 – Breakfast (All-Week)**

This new system is replacing the 'Meal Order Form' previously on our summer webpage. If you have previously enrolled in the meal plan for either breakfast or lunch, please follow this new system. We have enough food and staff to service all campers that wish to enroll and this new system will allow for the best Monday experience.

Thanks you for your understanding as we make this the smoothest system for all,

Walden West Summer Staff

Summer Camp Menu
